

Visiting Professor/Post-doc position

Earthquake Research Institute, the University of Tokyo

The Earthquake Research Institute, the University of Tokyo, invites applications for Visiting Professor / Post-doctoral Fellow positions in the research fields of earthquakes, volcanoes, and physics of the earth's interior. The period of each position will be from three to twelve months between 1 April 2014 and 31 March 2015.

Candidates are requested to submit the following set of documents as attached files to e-mail (address: intl-office@eri.u-tokyo.ac.jp).

- (1) CV with birth date and detailed account of academic activity
- (2) List of academic publications
- (3) Summary of research that the candidate has conducted (300-500 words)
- (4) Title of research and research proposal at ERI (300-500 words)
- (5) Desired length of stay; from three to twelve months

Candidates are also requested to nominate a host researcher of ERI. If you need more information on host researchers, please visit <http://www.eri.u-tokyo.ac.jp/eng/>. Prior contact to an ERI faculty member is desirable, but not mandatory.

The appointed candidates are expected to carry out research at ERI as an employee of the University of Tokyo. Monthly salary, ancillary expenses including partial housing costs and commuting allowance will be paid following the rules of the University and ERI.

The deadline for this application is 31 August 2013.
