ENVISAT/ERS Symposium

6-10 September 2004

The 2004 ENVISAT & ERS Symposium was held in
Salzburg - Austria from 6 to 10 September 2004.

The 2004 ENVISAT & ERS Symposium provided a forum for investigators to present results of on-going research project activities and assess the development of applications and services.

ESA would like to thank the many scientists and users presenting at the conference, and would like to remind them that the final date for submission of the full paper is 30th of September.

For more information, please go to the [Symposium web page](#)
