

Minto @ Ery from
hanami to rain katon
2012

Dear Ery friends,

It was amazing to live in a blossoming
pink country and to surf on a
sake-tsunami for the last two unforgettable
months...

I would love to thank all of you for
the interesting and science discussions
and for listening my weird Tokyo
adventures...

I would love to thank Watarabe san and
Atsuro san to lodge me in the
beautiful cherry garden of the Mukogawa

Faculty House. You can drink there
the best espalte of the camp...
And I would strongly thank Shingo
Watabe to invite me @ Ery to
share science, humour, drinks and
dinner!!

Sake Monticci Oega harau...

...Konpei,
